Dear Executive Director Berlin,

Pursuant to Sections 2-156-142(a)(1)(ii) and 2-156-144 of the Code, the Department of Buildings wishes to report the return of a gift. The gifts were delivered to the Department's City Hall offices via U.S. Mail. The gift was a Big Shoulders Coffee gift box containing one coffee thermal mug and two 12 ounce bags of coffee beans - value unknown. The gift was addressed to myself and came with a cover card from the Plumbers Union Local 130. In returning the gift, I thanked Local 130 for their consideration and explained that the Department has a zero gift policy.

Sincerely,

Matthew W. Beaudet
Commissioner
